PROFESSIONAL SUMMARY

BCA student with a solid grounding in Data Structures & Algorithms (C++) and hands-on expertise in the MERN stack. Skilled at building responsive, full-stack web applications with HTML, CSS, JavaScript, React.js, Node.js, Express.js, and MongoDB, with a track record of turning ideas into deployed, production-ready products. Looking to bring strong problem-solving abilities and a passion for clean code to a growing engineering team.

EDUCATION

Bachelor of Computer Applications (BCA)

Dr. Bhim Rao Ambedkar University, Agra

Aug 2024 – May 2027

Senior Secondary (Class XII)

S S Prasad Public School, Tundla, UP

Apr 2023 – May 2024

TECHNICAL SKILLS

Programming Languages: JavaScript, TypeScript, Java

Frontend: HTML5, CSS3, React.js, Bootstrap, Tailwind CSS

Backend: Node.js, Express.js

Databases: MySQL, MongoDB

Core CS Concepts: Data Structures & Algorithms (C++), OOP, DBMS, RESTful APIs

Tools & Platforms: Git, GitHub, VS Code, Vercel, Netlify

PROJECTS

Smart Ledger Management System | MERN Stack (MongoDB, Express.js, React.js, Node.js)

- Built a full-stack ledger management application to record, track, and manage financial transactions and account balances
- Designed RESTful APIs with Express.js and Node.js for creating, updating, and retrieving ledger entries
- Modeled and stored transaction and user data in MongoDB with efficient schema design
- Developed a responsive React.js front end with dynamic dashboards for viewing balances, transaction history, and summaries
- Implemented data validation and error handling to ensure accuracy and consistency of financial records

Airbnb Clone – Property Booking Web App | MERN Stack (MongoDB, Express.js, React.js, Node.js)

- Built a full-stack property rental and booking platform inspired by Airbnb
- Implemented user authentication, property listings, and search/filter functionality
- Designed RESTful APIs with Express.js and Node.js for managing listings, bookings, and reviews
- Used MongoDB to store property, user, and booking data with structured schemas
- Built a responsive React.js front end with interactive listing pages and booking flow

CERTIFICATIONS

Entrepreneurship-cum-Skill Development Programme (E-SDP) — Graphics and Web Designing

Feb 2026 – Mar 2026

Ministry of Micro, Small & Medium Enterprises (MSME), Government of India — Office of Development Commissioner | Organized at SRK PG College, Firozabad

- Certificate No. 76757/E-SDP/2025-26/1
- Completed a structured training programme covering graphics and web designing fundamentals
